

World Conference on Neurology and Brain Disorders

November 19–21, 2026 | Tokyo, Japan

Day 1 – Thursday, November 19, 2026

Theme: Advances in Neurological Diagnosis & Brain Research

08:00–09:00 – Registration & Welcome Coffee

09:00–09:30 – Opening Ceremony & Inaugural Address

09:30–11:00 – **Plenary Session I: Innovations in Neurological Diagnosis & Brain Imaging**

11:00–11:15 – Networking Coffee Break

11:15–13:00 – **Keynote Presentations (Parallel Sessions)**

- Advances in Neuroimaging and Brain Mapping
- Role of Biomarkers in Neurological Disorders

13:00–14:00 – Networking Lunch

14:00–15:30 – **Oral Presentations – Session A**

- Early Detection of Neurodegenerative Diseases
- Diagnostic Approaches in Stroke and Neurovascular Disorders

15:30–15:45 – Coffee Break

15:45–17:00 – **Featured Talks**

- Artificial Intelligence in Neurology
- Personalized Approaches in Brain Disorder Diagnosis

17:00–17:30 – Poster Viewing & Interaction

17:30–18:00 – Day 1 Wrap-Up & Highlights

Day 2 – Friday, November 20, 2026

Theme: Therapeutics, Clinical Neurology & Patient Care

09:00–10:30 – Plenary Session II: Breakthroughs in Neurological Treatments & Neurotherapeutics

10:30–10:45 – Coffee Break

10:45–12:15 – Workshops

- Management of Neurological Disorders and Rehabilitation
- Patient Care and Long-Term Neurological Support

12:15–13:15 – Lunch Break

13:15–14:30 – Oral Presentations – Session B

- Clinical Trials in Neurology
- Neuropharmacology and Emerging Therapies

14:30–15:30 – Young Researcher Forum

- Emerging Trends in Neuroscience and Brain Disorders

15:30–15:45 – Coffee Break

15:45–17:15 – Symposium: Innovations in Neurology and Brain Disorder Treatments

17:15–18:00 – Poster Presentations & Networking Mixer

Day 3 – Saturday, November 21, 2026

Theme: Global Neurology, Brain Health & Future Perspectives

09:00–10:00 – Industry Innovation Forum

- Next-Generation Neurological Devices
- Startups and Investment in Brain Science

10:00–11:30 – Panel Discussion: Bridging the Global Neurology Care Gap – Policy & Practice

11:30–11:45 – Coffee Break

11:45–13:00 – Closing Keynote Session

- The Future of Neurology: AI, Data, and Global Collaboration

13:00–14:00 – Lunch & Networking

14:00–15:00 – Awards & Certificate Distribution Ceremony

15:00–15:30 – Closing Remarks & Conference Farewell
